Fees are indicative and will vary according to days and sessions requested. Fees will be confirmed to you prior to enrolment.

All meals, snacks, consumables and additional services are included. Breakfast and After School club can be added on to a school day as required.

A term's notice is required to change sessions. Additional ad hoc sessions at short notice can be arranged at our parent pay rate subject to availability.

Fees payable from 1st September 2025.

Only 3 hours per half day or 6 hours per full/school day can be claimed through FEEE. If your child is eligible for FEEE entitlement, invoices will show a nil charge for FEEE hours. If you are only receiving the universal 15 hours, please contact the office for detail of fees.

We charge a £60 non-refundable administration fee upon acceptance of our offer of a place. Please see overleaf for details of what this covers:

- **Two settling-in sessions** (typically one hour and two hours), which may include a snack and can be extended to suit your child's needs.

Depending on the timing of your child's settling-in sessions, they may also have the opportunity to participate in some of our extra-curricular activities, including *Disco Dough*, *Active Bean*, *Drawing Club*, *Mrs's Bloom's Gardening Club*, *Mini Master chefs*, or *Forest School*. The fee helps us fund your child's participation in these activities.

- **An initial assessment and observations** by our Early Years Teacher and Team to understand your child's development and identify any additional support they may require.
- **Registration and setup** on our Early Years software and parent portal, allowing you to stay updated on your child's progress.
- **Administrative paperwork** related to enrolment, including forms, contracts, as well as the setup of records for billing, emergency contacts, allergies, and medical information.
- **Resource allocation and materials preparation**, such as welcome packs, name tags, and peg cards.
- The fee is specifically for administrative work already completed, not a deposit towards future fees.
- The fee protects the nursery from financial loss if a family changes their mind after paperwork and planning have been done.
